Seventh-day Adventists believe

that the Bible is God's Word, and that the greatest need of every person is to know Jesus as a personal Savior.

We believe that all humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe.

Laying Aside the Weight of False Dignity

“To eat the flesh and drink the blood of Christ is to receive Him as a personal Saviour, believing that He forgives our sins, and that we are complete in Him. It is by beholding His love, by dwelling upon it, by drinking it in, that we are to become partakers of His nature. What food is to the body, Christ must be to the soul. Food cannot benefit us unless we eat it, unless it becomes a part of our being. So Christ is of no value to us if we do not know Him as a personal Saviour. A theoretical knowledge will do us no good. We must feed upon Him, receive Him into the heart, so that His life becomes our life. His love, His grace, must be assimilated.” *The Desire of Ages*, p. 389
